Sir,

In submitting herewith the correspondence ending with the Jodballapur Sub-Division officer's No.O.C.876 of 21-22 dated 16th January 1922 re the permission prayed for, for constructing a mosque on survey No.275 of Yadagodi village in the Hoskote Taluk, I have the honor to state that the land in question is in the khata of Mr.Haji Ismail Sait, and he has, by a statement given by him on 8th November 1921, before the Deputy Commissioner, given up the land for building a mosque. The villagers have no objection to ~~the~~ use the land for the purpose proposed.

As the land is situated within half a mile distance from the Railway-line, I request that sanction of Government under Rule 52 of the Land Revenue Rules may kindly be obtained to the proposal.

I have the honor to be,

Sir,

With reference to Muzrai Secretary's letter No.4641/Muz.544-21-2 dated 23rd February 1922, calling for certain particulars relating to the construction of a mosque on Survey number 275 of Kadugodi village in the Hoskote Taluk, I have the honor to submit herewith the records ending with the Dodballapur Sub-Division Officer's Yadi No.O.C.876 of 1921-22 dated 28th August 1922 and to state as follows:-

2. The nearest house to the proposed mosque is st a distance of about 50 yards towards the North and is occupied by Madigars. The land(S.No. 275) upon which the mosque is proposed to be built, adjoins the village site and survey No.149 which is the Railway Station. There is a public road to the South of this Survey No.275 leading to the Railway Station from the village and a foot-path to the west of the survey number leading from the said road to the village. Hindu Processions do now pass through both these ways.

3. Two Mahazars have been drawn up, one by the Hindu residents of the village and the other by the Musalman residents. In the former, it is said that they have no objection for the construction of the proposed mosque, provided their processions with music are allowed through the above said two ways and in the latter it is said that they do not object to the Hindu Processions.

1923

4. The enclosed sketch shows in detail the exact position of the proposed mosque with its surroundings. White-field Railway station is at a distance of one furlong from the proposed site, and the nearest distance from the Railway line to survey No.275 is 22 yards of which Public Road of 11 yards forms a part.

We have been informed of the
of Government calling for representations
in the matter of the license applied for
Khan Bahadur Haji Ismail Sait for the con-
struction of a Masjid for the religious
Mahomedan community on Sub No.1 of C.No. 61
of Kadupodi, and also of the Mahazar held
today by the Hindu residents of the village.
At a distance of about 50 yards to wards the
North of the site selected for the Masjid
there are Madigars' houses. The site for
proposed Masjid adjoins the Cemetery. To
the South of this S.No. there is a public
Road leading to the Railway station, and to
the West, a foot-path indicated in the
enclosed plan, leading from the Railway
station to the village. It is usual for
Hindus to take their marriage and God's
processions etc., with Bhaja Bajantri through
roads. Though the Masjid site adjoins to
two roads, we are in no way inconvenienced
the Hindu processions etc. We will not
raise any objection to any Hindu Marriage
processions and Utsavams of Gods etc.
through these roads with Baja Bajantri.
There is no other convenient site in the
village for the construction of the

and though the Madigar houses are near, we have no objection to their marriage processions and Gods' Utsavams passing through with "Halife and Tabate" (drums) according to their custom. The leading members of the Mahomedan community have signed this Mahazar on behalf of the Mahamadans community of the village - S/M. K. Ahamad Khan and others.

We have been informed by the order of Government calling for further particulars in the matter of the correspondence relating to the construction by Khan Bahadur Haji Imam Sa. on behalf of the Mahomedan community, of a Masjid on Sub No.1 of Survey No.277 of the village. The site of the proposed masjid adjoins the Cum-thana and is out side the village. To the South of this S.No. there is a public road leading to the Railway Station. to the West, a foot-path leading from the Railway station to the village, at a distance of 50 yards towards the north, there are the Madigar houses, and to the East, there are occupied ryt lands (..... Hiduvali S.No.) The house owners are in no way inconvenienced by the construction of the Masjid. It is usual for the processions of Hindu marriages, and of Hindu Gods to pass with Boja Bhajantri (music) through the roads to the south and west of the site, and if this is not objected to by the Mahommadans we have no objection to the proposed construction of the Masjid. Government may grant permission, subject to this condition

Sir,

With reference to your letter No.2007/[illegible] dated the 16th January 1923 enquiring whether a site in respect of which there will be no question of stoppage of music cannot be selected for the construction of a Mosque at Kadgodi in Hoskote Taluq, I have the honour to submit herewith copy of letter No.111 of 31-1-24 dated the 4th January 1924 received from the Deputy Commissioner, Bangalore District, who after inspection of the spot in company with the District Superintendent of Police states that the site now selected is unsuitable forthe purpose for the reasons explained and that the application of Mr. Malik Mahomed Nawab Khan may be rejected.

The Deputy Commissioner's further report after the selection of a suitable site will be awaited.

The vernacular records have been called for from the Deputy Commissioner and will be submitted on receipt.

I have the honour to be,

Sir,

Your most obedient servant,

The Muz. Comrs. further report may be awaited.

21.1.24 22.1.24

Letter No.O.C.1119/21-33 dated 4th January 1934 from the Deputy Commissioner, Bangalore District to the Muzrai Commissioner in Mysore.

With reference to your letter No.C.33[illegible] of 33-33 dated 10th January 1933 and subsequent reminders re the selection of a site for the construction of a mosque at Kadugodi in respect of which there will be no question of stoppage of music, I have the honour to state that the Amildar of Hoskote Taluk reports that the land survey No.275 in question adjoins the village site and is between two frequented paths where Hindus are likely to pass in procession with music, that it is a valuable site, that there may be rift between the Hindus and the Mahomedans later, that he advised the Mahomedans to select a suitable site, but there appears to be no leader there and there are two factions even among them.

2. I inspected the ~~sept~~ Spot on the 24th November 1933 in company with Mr.Hayes, the District Superintendent of Police. We found the site to be too public. Its close proximity to the Railway Station is likely to render it unsuitable for the purpose of constructing a mosque. Hence the application of Mr.Malik Mahomed Nawabkhan to utilise survey No.275/1 for a Masjid may be rejected.

3. The Sub Division Officer, Dodballapur, will be instructed to select an unobjectionable site for a mosque as early as possible in consultation with the leading members of both the communities and report the fact to this office if the Mahomedans want a masjid at Kadgodi and are willing to construct a building at their own cost.
